All Roads Lead To Redmond

The city of Redmond, long-storied and legendary in status, has a rich and illustrious background in the logging industry. The early days of Redmond are filled with tales of prohibition-era shenanigans, late night dancing and revelry, and houses of ill repute. Some of these establishments were built by the forefathers of our great city, industrial entrepreneurs and politicians alike. Much beloved, these great men and women helped lay the groundwork for this popular NW destination.

We've created Brown's Stockyard Exchange as a fitting tribute to this notorious time and place.

Ask any Redmond resident, and they'll beam with pride about their fair city. But, they'll never reveal the secrets held within its walls-for that, you'll just have to discover yourself.

To the raconteurs, the upstarts, the industrious legends that helped shape our town: Stock up on good times and exchange the everyday for the exceptional.

Welcome to Brown's Stockyard Exchange.
