## SHARING FOOD & EXPERIENCES

At The Poet Brussels, we strive to embody the essence of the neighborhood and the city of Brussels: bravely hip and trendy, while also being stubbornly committed to good food and quality products.

Our restaurant & bar is ideal for one-of-a-kind encounters with locals and like-minded international travelers. Taste, collaborate, and celebrate here while being surrounded by design inspired by our neighborhood, where creativity and forward-thinking are celebrated.

## SHARING IDEAS

Many great ideas and business start of the back of a coaster between two persons at a bar, and let The Poet Bar be that ideal spot for the outset of creative ideas.

At The Poet, we want to act as a bridge between people of different cultures and ages. But more importantly, we'd like this space to be yours too: share your ideas and meet people who are thinking about the same things as you are.
