# RITUALS

## L'APAISANT

Let go with this hot lavender relaxing treatment. Inspired by Thai tradition massage, discover this ritual created especially for you. Our homemade Organic Lavender tissue balls are warmed and applied to all parts of your body. The tensions and pain disappear, rheumatisms and back problems healed. This treatment strengthens the immune system and accelerates the elimination of toxins. It releases you from stress and nervousness. Preceded by our «home-made» Mediterranean scrub based on olive oil, honey and sugar, it will bring you a profound relaxation of the body and the spirit.

60 min without scrub - 155€

90 min with scrub - 195€

## LE RENAISSANCE

Discover our Signature Ritual and escape into a two hour extraordinary journey. Imagine a fresh and floral body scrub to exfoliate and hydrate your skin quite smoothly, followed by a relaxing and soothing complete body massage to release all the tensions and get you into a deep relaxation. Finally, enjoy a moisturizing and revitalising facial treatment. A real rebirth of the body and the spirit.
