

ELEMENT BATON ROUGE

YOUR ROUTINE CAN STAY AS LONG AS YOU DO

At the Element Hotel Baton Rouge, we believe that travelers deserve more than a place to stay. We want our guests to start every day fresh, whether they're staying for a few nights or settling in for a few weeks. The Element Hotel experience gives you everything you need to stay energized, active, and whole, because time away from home shouldn't mean time away from life.

- Enjoy easy access to the Mall of Louisiana less than one mile away, and visit Downtown Baton Rouge or LSU, both just a 15 minute drive from the property
- Wake up to our signature rise *breakfast* always complimentary
- Stay in your element and take your mind for a ride with one of our bikes to borrow
- Add some balance to your stay, make a *splash* and jump into our refreshing, all natural saline pool
- After a long workday, there's no better place to recharge than our motion fitness center
- Treat yourself to an impromptu barbecue on our outdoor patio
- We are *pet friendly* so you can bring the whole family
- Stock up on your favorite treats around the clock in our Restore pantry
- Wake up on the right side of the bed in one of our *bright* and comfortable guest rooms, with more room to think, work, socialize, live your life
- Mingle with other guests or gather with friends and family at our evening relax receptions
- Heat up your night by our outdoor living room and *firepit*
