

JW MARRIOTT
PHU QUOC EMERALD BAY

PHOTOSHOOT & DRONE USAGE IN THE RESORT

- **Drone Usage:** Drone usage is restricted

- **Photoshoot in the Resort:**
Allowed

- Guests may shoot non-commercial photography or video for their own personal use (with no professional equipment, lighting, etc.) in their room or in the resort but must respect the privacy and well-being of other guests in the area.
- Professional photography/videography will only be allowed if the Resort Management has given their permission before the shoot. All photography/ videography requests will be reviewed and approved based on occupancy, availability, and content.

Not Allowed

- Commercial photography or video shoot is not permitted at the JW Marriott Phu Quoc without permission from the Resort RManagement.
- Our first priority is the experience of our guests so we have a strict policy against the use of any of our facilities for unauthorized professional or commercial photography or videography (including pre-nuptial shoots – unless it's part of a wedding package with us: engagement shoots, advertising shoots, model/fashion shoots/ filming and etc.).

Requests to use any area of the resort as a location for commercial photo-shoots or filming as well as special occasion/ wedding shoots should be directed to the Marketing Department. These photo/ video shoots are subjected to fees and a strict schedule which must be approved by the Resort Management.
