## What is Mini Moose Kids Club?

Our Mini Moose Kids Club at JW Marriott The Rosseau Muskoka is an enriching kids' program designed for guests aged 4 and up. Each new member of our club will receive their very own pair of moose antlers, making them a part of our forest friends family. From board games to hands-on art projects, each experience encourages our young guests to explore, learn, and create lasting memories in the great outdoors.

#### \*Indicates adults only activity

All outdoor activities are weather dependent. Activities are included in your resort fee unless noted otherwise. All JW Enrichment activities require advance sign up to ensure capacity is maintained. Please scan the QR code to sign up:
