IN THE WORLD CAPITAL
OF MUSIC AND EXPERIENCE
VIENNA’S ROMANTIC FLAIR**

Beautiful, majestic buildings, great houses, luxurious palaces and historic mansions distinguish the cityscape of Vienna. The unique architecture and special mood make the city a magical place where history and the modern era mingle. The legendary Viennese charm leads you through imposing streets and intimate alleys, while art, culture and cuisine harmonize to dazzle the senses. There are extensive green parks throughout the city, with vineyards and forests surrounding Vienna further out – a setting you will not find anywhere else in the world.

This is the city where one of the most famous couples in history married and lived: Empress Sisi and Emperor Franz Joseph. Gustav Klimt met his muse, Emilie Flöge, in Vienna. Beethoven wrote countless love letters here, and Duke Philipp Alexander of Württemberg had a palace built for the love of his life on the Vienna Ringstrasse – today’s Hotel Imperial.

Vienna has many unforgotten stories to tell about life and love – perhaps yours will be one of them soon!

LET YOURSELF BE ENCHANTED BY OUR IMPERIAL AMBIENCE

CELEBRATE AN IMPERIAL WEDDING

The most original, greatest and most surprising things are made out of love. As a sign of his love for his wife, Duke Philipp Alexander of Württemberg had an imposing four-story palace built in the Italian Renaissance style on Vienna's Ringstrasse in 1863. A worthy monument of love. So beautiful, so elegant and so unique that passers-by were in awe every time they strolled past and looked at the majestic building.

A few years later the couple's splendid private residence was elaborately converted, and opened as a luxury hotel for the World Exposition of 1873. Ever since then, this gem of a hotel has also been an exclusive location for unforgettable wedding celebrations. The captivating atmosphere of the palatial rooms and suites of Vienna's Hotel Imperial offer a unique setting for every dream wedding.

OUR SERVICES AT A GLANCE

YOUR CIVIL WEDDING CEREMONY IN A ROYAL AMBIENCE

We are one of the few hotels that offer our guests the special option of a civil wedding on site. Thus we create an exceptional wedding location that gives every aspect of your celebration a unique style. Having to change location after the ceremony often causes additional stress for the couple and guests, and the mood can suffer as a result. Instead, we offer you the luxury of spending the whole day at one location with no need to relocate.

For weddings restricted to close friends and family, one option could be Vienna's most romantic suite – our charming Royal Suite, with a wonderful view of the legendary Ringstrasse. Enjoy the incomparable flair of the former private residence of Württemberg's ducal family. Furnishings in the Imperial Schönbrunn style and stucco ceilings decorated with gold highlight the uniqueness of your wedding.
