About us

The SpringHill Suites by Marriott Toronto Vaughan has become an urban oasis for all travelers visiting the area. It boasts a spacious lobby with modern flare, uniquely designed areas and suites that include a separate living area for work and relaxation. All suites have a flat screen TV, a plush pillowtop mattress, West Elm custom furniture, mini fridge, microwave and a specially designed work desk that includes a iPod docking station.

Amenities like our complimentary hot & cold breakfast buffet, Free Wi-Fi, and local calls, an indoor pool, whirlpool and fitness room, will help the mind and body relax and recharge. You can also find versatile seating throughout the hotel lobby, lounge and bar which makes an ideal gathering place for work or play!

The entire team will work together every step of the way to create an enjoyable experience for you and all your guests. Our food and beverage team is specifically committed to supporting local produce with a focus on your health and well-being.

Our mantra "The Art of Local" keeps us inspired daily as we strive to include local products wherever we can. Featuring Ontario VQA wines from Niagara, Prince Edward County regions, and Vaughan's own Magnotta winery. We also carry Beau's and Steam Whistle beers on tap, brewed fresh less than 30km away, all available in our Six One Two Applewood Lounge.

We are constantly meeting with our suppliers to ensure the best local produce is available, like our Halal beef that comes from the Stockyard district in Toronto, or our Chicken Supreme sourced from a nearby family run operation in Brampton. Our Potatoes are from Alliston, vegetables from the Holland Marshes, and eggs from Brockville, Ontario.

Knowing where your food comes from, and the values we share from farm to kitchen, lead to a greater impact on your palate in flavour, with a smaller impact on our environment.

We have created menus that cater to all tastes and our team is delighted to work with you on customizing menus that fit to your needs.

Contact our sales and catering team to book your upcoming event today!
