# SPECIALITY DRINKS

## ST. REGIS BLOODY MARY CREATIONS

*In 1934, Fernand Petiot became a bartender at the St. Regis Hotel in New York, bringing with him the “Bloody Mary,” a vodka and tomato juice drink he had started making in Paris. It was in the St. Regis’ King Cole Bar that Petiot perfected his original formula, adding salt, pepper, lemon, Tabasco and Worcestershire sauce to create the drink that is so beloved today.*

*Over the years, it has become the signature cocktail of the King Cole Bar. Honoring our storied past and the creation of the Bloody Mary cocktail, each property has crafted its own unique local interpretation of the original classic. Collectively, we refer to them as the world collection of St. Regis Signature Bloody Mary blends, which incorporates regional influences with the original elements of the recipe created by Mr. Petiot.*
