BLOODY MARY

A ritual is defined as a set of actions that are prescribed by the traditions of a community or organization and performed mainly for their symbolic value. A ritual may be performed on specific occasions, or at the discretion of the individuals or communities.

At St.Regis, we celebrate three daily rituals: The Bloody Mary Ritual, The Tea Ritual and The Evening Ritual of Sabrage. Each symbolically celebrates our unique heritage and brings key elements from our storied past to life for our guests.

In 1934, famed bartender Fernand Petiot at the St.Regis New York's legendary King Cole bar perfected the recipe for a Vodka and tomato juice cocktail he called the Bloody Mary.

Deemed inappropriate for their elegant clientele, it was rechristened the Red Snapper.

Honoring our storied past and the creation of the Bloody Mary cocktail over 75 years ago, each St.Regis hotel and resort has crafted its own unique local interpretation of the original classic recipe.
